

Ariel University Call for Applications

PhD program at Ariel University:

Ariel University (AU) is Israel's newest and fastest growing research university, striving for academic excellence and encouraging social advocacy. The School of Graduate Studies at AU invites you to develop your academic skills, expand your horizons, explore the world and make new discoveries with us. All of this is possible with state-of-the-art laboratories and the personal guidance of our outstanding faculty whose articles are published in leading international journals.

Over 15,000 Israeli and international students are enrolled in Bachelor, Master's, Doctorate and Post-Doctoral programs. The university is at the forefront of research, and offers doctoral studies in Engineering, Natural Sciences, Social Science and Humanities, Architecture, Business Administration and Health Science, all of which constitute the new spirit of our institute. We are looking forward to the opening of Israel's 6th Medical School at AU in the 2019 Fall Semester.

Join Ariel University:

The School of Graduate Studies at Ariel University invites you to apply for a PhD position in a variety of fields. Join doctorate students from Israel and many other countries around the world for a wonderful learning experience. Take your research to the next level by furthering your academic interests and skills in advanced laboratories, under the guidance of world-class researchers with proven research in an environment of multidisciplinary international research cooperation. Our doctorate students publish papers in leading refereed international journals and conferences.

The School of Graduate Studies will accompany you throughout the course of your studies through personal counseling and training, scholarships, awards and research grants, in addition to the opportunity to be part of the university academic teaching or research staff.

About the Campus:

Ariel University was established in 1982 in the City of Ariel. It is nestled in the Samaritan mountain ridge at the highest point of the city, offering a commanding view of the region's mountains and valleys, stretching all the way to the coast of the Mediterranean Sea. It is situated close to Jerusalem and the greater Tel Aviv area, with numerous scenic, historic and Biblical sites nearby waiting to be explored.

In addition to the relaxing atmosphere of its green campus, AU offers local and international students all the necessary services to make their academic experience a pleasant one, such as grants and scholarships, well-furnished dormitories, access to Ariel's beautiful country club and more.
